9 – 8 – 17

DATES TO REMEMBER

Sept. 13 Curriculum Night
5:30 – 7:00

Sept. 15 School Photo Day

Sept. 20 Family Chess Night

Great Start to Our New Year!

What a wonderful and smooth start to the new school year. The true mark was the launch of our kindergarten students on Tuesday – not a tear was shed, by student OR parent. 😊

As Mr. Sissom and I have visited all of the classrooms these first days of school, it is apparent that our students were eager and ready to return to school, and are ready to engage with their new teachers, new and familiar friends, and new content and concepts. The feel throughout the school has been one of calm, business as usual, and smiles on the new field and play area.

We are all eager to see as many parents as is possible at Curriculum Night September 13th. The time has been adjusted slightly to better meet the needs of families. The night will begin in the cafeteria where parents can see examples of our lunch items and lunch set up, as well as pick up information about signing up for lunch accounts. The order of the evening will be:

- 5:15 – 6:00 open cafeteria for information on our nutrition program with Stephanie Chung, Head Cook
- 5:30 – 5:55 Kindergarten, 1st and 2nd grade classrooms with Teachers
- 6:00 – 6:30 gym with Medina Administrators, Specialists (music, art, PE, library), PTA
- 6:35 – 7:00 3rd, 4th and 5th grade classrooms with Teachers

During our time with parents in the gym at 6:00, PTA will have tables with information regarding volunteer sign up, etc. to help keep you informed and involved throughout the coming months and school year.

Have a wonderful weekend.

Warmly,

Laurie Harvey – Medina Principal
